It's free, voluntary and confidential

Ways your Health Coach can help you or your child*

- Establish a care plan with your Health Coach tailored to you or your child's personal health goals
- Explore new ways of incorporating lifestyle changes that will help you or your child maintain goals and minimize the severity of unexpected flare-ups
- Communicate with your Health Coach in support of regularly scheduled appointments by email or your Coach's dedicated number
- Access personalized resources and educational information

*Parent approval is required for dependent children under the age of 18.

For adult patients, before the first appointment

Download your or your adult child's Gaps in Care Health report from My Plan to review with your Health Coach. Simply log in to your or your child's account and visit the **My Health and Wellness** section in the main menu. If you need help or have questions, give us a call.

The Asthma Care Rewards program is free for eligible members, voluntary and confidential. Contact *AchieveHealth* for more information or to enroll in the program.
