

Choosing the Right Care Option For Same Day Medical Care 2026

**Need care when your
primary care provider
(PCP) isn't available?**

You have low cost options.

If you need immediate care but don't think you need to go to an emergency room, consider using an alternative same day care option to receive quicker and less expensive care. *(New England locations starting on page 4.)*

Remember, if you think you're having a medical emergency, call 911 or go to the nearest ER.

For the most up-to-date list, call HPI Member Services at 844-926-2262 or visit healthplansinc.com/BMC.

Doctor On Demand

Available where you are, without the hassle of the waiting room. Connect in minutes¹ with board-certified doctors and therapists over live video.

- Connect face to face using your phone, tablet or computer
- Services include medical care, triage/medical advice and mental health care

Just like an in-person visit, the doctor takes your history and symptoms, performs an exam and recommends a treatment, including prescriptions and lab work.²

- Do I have a cold or allergies?
- My doctor's office is closed and I have a question.

Mental Health Care³

From the privacy of your home, Doctor on Demand has a team of mental health providers (psychiatrists and psychologists) you can choose from based on your preferences and clinical needs.⁴

¹Availability more limited during overnight hours.

²Doctor On Demand physicians do not prescribe Schedule I-IV DEA controlled substances, and may elect not to treat or prescribe other medications based on what is clinically appropriate.

³Doctor On Demand is not meant for crisis or emergency mental health situations. If you are experiencing a crisis or emergency, call 911 or go to your nearest emergency room. Psychology visits are typically available within 48 hours to one week and psychiatry visits are typically available within 2–3 weeks.

⁴Doctor on Demand psychiatrists can prescribe medications when necessary for treatment; however, Doctor On Demand does not prescribe any controlled substances. In these cases, alternatives with less potential for abuse and dependence may be offered.

How it works

Set up your account:

1. Download the app on your mobile device or access doctorondemand.com/health-plans-inc.
2. Create your account and enter insurance (choose Health Plans, Inc.) and pre-consult information.

Before your appointment:

3. Complete a questionnaire of current symptoms and medical history.
4. Pay cost-share via app or website.
5. Consult with a Doctor On Demand board certified provider.
6. Receive email follow up after the visit to share with your PCP, or request that it be sent directly to your PCP.

The details of your consultation will not be forwarded to your PCP without your consent.
