Important Message About Our Provider Network

The provider network is subject to change. While we make every effort to keep this directory up-to-date, changes may occur at any time. The physicians and other medical professionals in our provider network participate through contractual arrangements. These contracts can be ended either by a provider, by Harvard Pilgrim, or the contractual organization on behalf of Harvard Pilgrim. A provider may also leave the network because of retirement, relocation or other reasons before your next enrollment date. This means that we cannot guarantee that the provider you choose will continue to participate in our network for the duration of your membership. If your PCP leaves the network for any reason, we will make every effort to notify you in advance, or as soon as possible, to help you find a new Harvard Pilgrim provider to meet your health care needs.

Preferred (Atrius Health & Atrius Health Ecosystem) – lower cost share

Non-Preferred – higher cost share

Atrius Health = Members who select to see an Atrius Health tier designated provider will be eligible for a discount.

Atrius Health – lower cost share

Atrius Health Ecosystem – higher cost share

Atrius Health = Members who select to see an Atrius Health tier designated provider will be eligible for a discount.

As such, some providers may have admitting privileges at hospitals that do not participate in the Atrius Health Preferred HMO network. It is important for your provider to refer you to specialists, hospitals and other providers that participate in the Atrius Health Preferred HMO network. Except in an emergency, your plan will not cover services from specialists, hospitals and other providers, including but not limited to lab, x-ray, MRI and CT, that do not belong to the Atrius Health Preferred HMO network. Additionally, members pay different levels of cost sharing depending on the provider delivering a covered service or medical supply.

BIDMC Choice Plan and BIDMC Select Plan

Tier 1 = lowest cost share level for the BIDMC Choice Plan and Select Plan

Tier 2 = middle cost share level for the BIDMC Choice Plan and Select Plan

Tier 3 = highest cost share level for the BIDMC Choice Plan **only**

The BIDMC Choice and Select Plans have been designed to encourage you to seek the most cost-effective care by assigning providers and facilities into coverage tiers. Under BIDMC's Choice and Select plans, members pay different levels of cost sharing depending on the tier of the provider or facility chosen to deliver a covered service or supply.

In some cases, a provider may practice at more than one location and may have a different tier assigned to each. Keep in mind that different out-of-pocket costs may apply to the same provider based upon where you are treated by that provider. Be sure to consult this provider directory every time you seek services from a Harvard Pilgrim network provider. If you have questions, please refer to your plan documents or call Member Services at (888) 333-4742.

If you have questions, please refer to your plan documents or call Member Services.

Dependent Out-of-Area Provider Directory

Plan Requirements: This Provider Directory is only for registered out-of-area dependents who are enrolled in a plan that has the Dependent Out of Area benefit and who are receiving care outside of the Plan's Enrollment Area. To be eligible for coverage, registered out-of-area dependents must receive care only from providers listed at the locations identified in this directory. If an out-of-area dependent receives care from one of these providers at a location that is not listed in this directory, the care will not be covered, except in a medical emergency or if approved in advance by the Plan.

Returning to the Enrollment Area: If a registered out-of-area dependent returns to the Enrollment Area, all services must be received from Plan Providers and all plan terms and conditions, including referrals, will apply. To find Plan Providers in the Enrollment Area, please refer to the Provider Directory that is specific to your plan.

The plan name can be found in the upper right-hand corner of your ID card or you can access the Provider Directory by logging on to your secure online account.

Please Note: using the Dependent Out-of-Area Provider Directory to obtain care while you are inside the Enrollment Area may result claims for services being denied.

While certain complementary and alternative medicine providers may be listed in this directory, it does not mean that their services are covered benefits under your plan. Please check your Schedule of Benefits for details.

ElevateHealth HMO

▲ Authorized Access Provider. Harvard Pilgrim prior authorization required for coverage. See plan documents for details.

The "ElevateHealth HMO" plan provides access to a Limited Provider Network that is smaller than Harvard Pilgrim's full provider network. Please consult this "ElevateHealth HMO" provider directory for information on available network providers and any restrictions that may apply.

The "ElevateHealth HMO" plan includes two types of in-network providers, both of which are listed in this provider directory. "Easy Access" providers provide services for most types of care. "Authorized Access" providers give highly specialized care not available from Easy Access providers. They are marked in this provider directory as: "Authorized Access Provider." To receive services from an Authorized Access provider, you or your provider must obtain prior authorization from Harvard Pilgrim in order to be covered by the Plan.

If you need hospital care, or services (e.g., lab tests, X-rays, MRI) provided at a hospital, please make sure your provider refers you to a hospital that participates in the "ElevateHealth HMO" network. If you have questions, please refer to your plan documents or call Member Services.

In this plan, members have coverage only from providers in the “Focus Network – MA HMO” provider network. Please consult this “Focus Network – MA HMO” provider directory for information on available network providers and any restrictions that may apply.

The “Focus Network – MA HMO” plan includes two types of in-network providers, both of which are listed in this provider directory. “Easy Access” providers provide services for most types of care. “Authorized Access” providers give highly specialized care not available from Easy Access providers. They are marked in this provider directory as: “▲ Authorized Access Provider.” To receive services from an Authorized Access provider, you or your provider must obtain prior authorization from Harvard Pilgrim in order to be covered by the Plan.

If you need hospital care, or services (e.g., lab tests, X-rays, MRI) provided at a hospital, please make sure your provider refers you to a hospital that participates in the “Focus Network – MA HMO” network. If you have questions, please refer to your plan documents or call Member Services.

GIC Primary Choice Plan HMO:

This plan places providers and hospitals into one of two tiers. The copayment, deductible or coinsurance amount you pay for covered services will depend on the tier that the providers and hospitals are assigned. Providers’ tier assignments may change at any time (e.g., when they change practice affiliations). Providers who work for more than one practice may be in more than one tier; what you pay will depend on the practice location you visit.”

IMPORTANT - GIC Primary Choice: Primary Choice is a limited network plan; not all providers and hospitals in Harvard Pilgrim's network participate. Also, some Primary Choice providers have admitting privileges at more than one hospital, including hospitals that do not participate in the Primary Choice network. Before any tests or appointments, you must make sure any providers and hospitals you go to for care belong specifically to the Primary Choice network. If you go to a non-participating provider or hospital (except in medical emergencies), you will not be covered and the plan will not pay for your care.

If you have questions, please refer to your plan information or call Member Services.

Providers' tier assignments may change at any time (e.g., when they change practice affiliations). Providers who work for more than one practice may be in more than one tier; what you pay will depend on the practice location you visit.

If you have questions, refer to your plan documents or call Member Services.

HMFP/APHMFP Choice Network

Tier 1 & Tier 2 = lowest cost share level

When a provider moves to a different group, the provider takes on the tier of that new group. Please consult this HMFP/APHMFP Choice Network provider directory to determine a provider's tier. If you have any questions, please refer to your plan documents or call Member Services.

HMO – Flex / PPO – Flex

HMO - Flex and PPO - Flex provide an enhanced benefit for members who use “Flex” providers for general laboratory test and day surgery services at independent or freestanding facilities. Members using Flex providers will pay a lower cost sharing amount for general laboratory test and day surgery services than if they received these services from a provider that is not a Flex provider. Plans that include the Flex benefit will retain access to Harvard Pilgrim’s full network of providers.

Providers in a Flex plan will be noted in the Provider Directory as “Flex Provider”.

Preferred PCP = A Preferred PCP is part of a network of Primary Care Providers that we partner with to offer lower office visit cost sharing. In this plan, members pay different levels of cost sharing depending on the affiliation of the provider delivering a covered service. If a provider changes affiliations at any time, the tier of that provider may also change. Please consult this Maine's Choice HMO directory to determine a provider's tier in the network.
